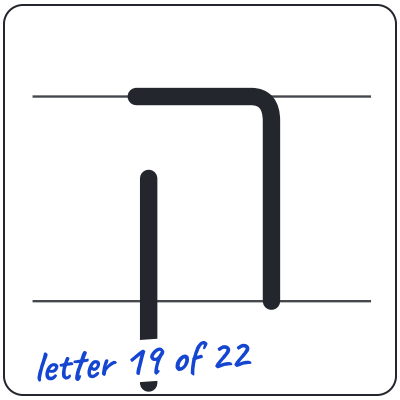
Qof ק

Qof says k, as in kite: the same sound as Kaf.

Name _____



How to write it

1. A line across the top, round the corner and down the right side, like Resh.
2. A long leg on the left: start a little below the top and go down, below the bottom line.

● **Hebrew starts on the right: begin at the start dot and go left.**

קוֹל

kol: voice

1 Trace the dotted letters, then write three on your own — start at the dot, top right

2 Trace two, then write on your own

3 Look at the first one, then write on your own

4 Write it all by yourself — no help this time

5 Read it out loud: the new "u" sound — right to left

קוּ בֻּ קֻ קֹ קִ קֶ קוּ קֻם

voice קוֹל get up קוּם

6 Circle every Qof — how many did you find? ____

ה ף ק ט ן ק ת ר ק ך ח ק ה ק

☐ I said the name and sound out loud ☐ I did my best writing

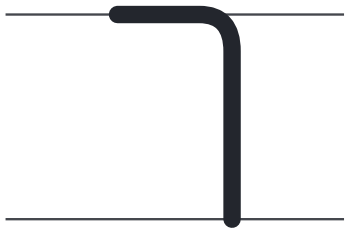
Resh ר

Resh says r, as in run.

Name _____



letter 20 of 22

How to write it

1. A line across the top, round the corner, then straight down the right side.
2. Keep the corner round. Dalet has a sharp corner that sticks out.

● Hebrew starts on the right: begin at the start dot and go left.

רֹאשׁ

rosh: head

1 Trace the dotted letters, then write three on your own — start at the dot, top right

2 Trace two, then write on your own

3 Look at the first one, then write on your own

4 Write it all by yourself — no help this time

5 Read it out loud: the new "u" sound — right to left

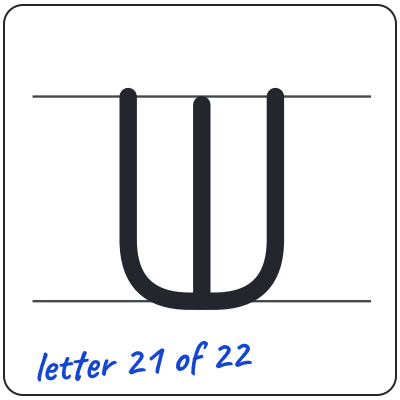
Shin ש

Shin says sh, as in ship. With the dot on the left (Sin) it says s.

Name _____



How to write it

1. A cup: down the right side, round the bottom and up the left side.
2. A line down the middle.
3. Shin's dot goes on top at the right. Sin's dot goes on top at the left.

Hebrew starts on the right: begin at the start dot and go left.

שֶׁמֶשׁ

she-mesh: sun

1 Trace the dotted letters, then write three on your own — start at the dot, top right

2 Trace two, then write on your own

3 Look at the first one, then write on your own

4 Write it all by yourself — no help this time

5 Read it out loud: the new "u" sound, and Sin — right to left

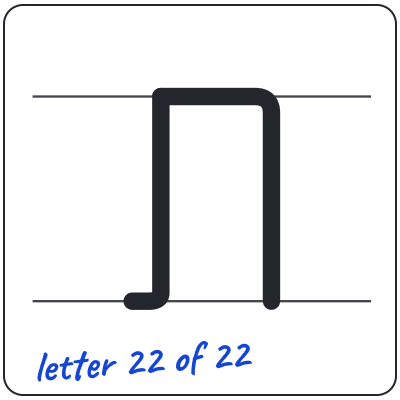
Tav ת

Tav says t, as in top: the same sound as Tet.

Name _____



How to write it

1. Like He: a line across the top and down the right side.
2. A leg on the left, from the top all the way down, with a little foot at the bottom.

● Hebrew starts on the right: begin at the start dot and go left.

תֵּבָה

te-vah: ark

1 Trace the dotted letters, then write three on your own — start at the dot, top right

2 Trace two, then write on your own

3 Look at the first one, then write on your own

4 Write it all by yourself — no help this time

5 Read it out loud: the new "u" sound — right to left
